## REVISTA MENSAL DA EMBAIXADA DE ANGOLA NO QATAR

A revista mensal de imprensa da Embaixada de Angola no Qatar foi criada com o intuito de fortalecer os laços entre as duas nações, fornecendo um panorama informativo atualizado e relevante acerca de temas de interesse mútuo. Optámos por uma solução 100% digital em formato PDF para a publicação, aliando tecnologia e sustentabilidade. Ao evitarmos a impressão física, damos um passo consciente e ecológico na redução do consumo de papel e na diminuição da pegada de carbono.

A divulgação da revista é efectuada através do website oficial da embaixada. Para garantir uma informação de qualidade e relevância, a embaixada realiza uma selecção criteriosa dos principais temas abordados nos jornais de Angola e do Qatar. Cada edição apresenta as capas das notícias destacadas, com hiperligações directas para o conteúdo original. Desta forma, os leitores podem, de maneira simples e intuitiva, clicar na imagem da notícia e serem redireccionados para o jornal de autoria do artigo.

Agradecemos imensamente a sua leitura e esperamos que continue a acompanhar as edições futuras da nossa revista.

## MONTHLY MAGAZINE OF THE EMBASSY OF ANGOLA IN QATAR

The monthly press magazine of the Embassy of Angola in Qatar was established with the aim to strengthen ties between the two nations, offering an up-to-date and relevant overview of mutual topics of interest.

We've chosen a 100% digital solution in PDF format for the publication, combining technology with sustainability. By avoiding physical printing, we take a conscious and ecological step in reducing paper consumption and diminishing our carbon footprint.

The magazine is disseminated through the official embassy website. To ensure quality and relevant information, the embassy makes a judicious selection of the main topics covered in newspapers from Angola and Qatar. Each issue showcases the highlighted news covers, with direct hyperlinks to the original content. In this way, readers can easily click on the news image and be redirected to the newspaper that authored the article.

We deeply appreciate your readership and hope you continue to follow the future editions of our magazine
